My most Memorable Day

My most memorable day, I think, is Mother's Day this year. I helped a family, a poor family. I was happy because I think it was meaningful.

This year on Mother's Day, my family and I went to a famous restaurant to eat a rich dinner. It was very delicious. We felt happy and satisfied. Suddenly, I noticed that outside the window, a woman and a girl stood. They were looking into the restaurant. They looked very hungry and poor. I decided to help them. I said to my mother, "Mum, Look! Look at that woman and the girl. They look so poor. Can we invite them to eat with us?" Mum saw how thin the girl is. Then, she said, "OK! Why not. We have more food than we need. We can't finish all the food. Let them come and eat with us." "Yeah" I shouted. Then, my sister and I went outside the restaurant to invite the woman and the girl.

Suddenly, a shopkeeper came to the woman and the girl, and said, "You two, please leave there because when you stand there, my guests don't want to come in." The woman replied, "Don't drive us away. We don't have anywhere to go." Unexpectedly, the shopkeeper said, "No! You should leave!" Then, he pushed the girl out. "Oh! No!" the girl fell down. "My leg is hurt! I can't walk!" the shopkeeper didn't notice the girl and came back into the restaurant. My sister and I were angry. We ran

next to the girl. My sister took care of the girl. I invited the woman to eat dinner with us but she said, “No! No! I’m so thankful to you but I can’t eat with you!” I knew she was scared. She saw her daughter. The girl could not walk, so she said, “OK! We’ll eat with you, thank you! ” I was excited and happy.

When we came in, my mum and dad were smiling. We all sat down. The girl ate immediately. The woman was shy. Yet in a very short time, they had finished all the food on the table. The woman said, “I am so sorry. My daughter and I ate all the food.”

“Don’t worry. We have all enjoyed the meal, haven’t we?” my mum said quickly. The girl smiled. Next, I said, “Today is Mother’s Day. Why don’t we drink to this Day?” When the girl heard this, she wanted to cry. She said, “My mother and I never have enough money to celebrate.” She began to sob. “Every year on Mother’s Day, I want to buy something for my mum but I never...” The woman held her tears and consoled her daughter. Then, I saw the girl wipe her tears and said, “I promise I will work hard so that every Mother’s Day, I can take mum to this restaurant to celebrate together!”

“Good idea!” Everyone clapped.

Now, I can still remember this day and this promise. I will never forget my most Memorable Day!
